

## Variety

▶ We manufacture a variety of female ends, male ends, slip joint ends, splice cores and couplings so you have the versatility to work with the equipment you need to complete the job. \*Add the letter "K" to the end of the Female End part number for the kit packages which includes the female end, bolt and washer. Add the letter "K" to the end of the Male End part number for the kit packages which includes the male end, nut and washer.
